### **PART 2** (to be completed by singers)

*If you are a singer interested in singing with Laudemus! one summer, we'd also like to know more about your choral credentials. Laudemus! is quite a fast-paced week, musically speaking, so you need to be an experienced singer and a strong sight-reader. (Please note that we only accept singers aged 16–18 with written parental consent, and we cannot accept those who are aged under 16 on the first day of the course.)*

**Which voice-part do you usually sing?** .....

**What is your choral experience to date?** .....

.....

*Please give as much information as possible, so that we can assess your standard. Inexperienced singers are likely to struggle with the quantity of music we address in a week.*

**If you are under 18, what is your date of birth?** .....

**Laudemus! can offer scholarships and bursaries in case of need, especially if you are aged 18–25. To be considered for a scholarship, please tick this box.**
